13TH ANNUAL MUD VOLLEYBALL TOURNAMENT

to empower students to succeed!

PEACE.LOVE.MUD VOLLEYBALL FAQs

What time does the event start?

Check-in opens at 7 a.m. The first games start at 9 a.m., but we suggest you arrive earlier to set up your space.

How does the scoring work?

The first team to 25 wins, no “win by two.” Every serve counts as a point.

How do the teams need to be comprised during a match?

There must be 8 players at all times (4 males/4 females), and you must rotate positions as male/female. After the serve, players can change positions. You can only substitute for the server.

Do teams change sides of the court once game starts?

Yes, once the two scores equal 25 points, the teams change sides.

How do you know if the ball is “in” or “out”?

If there is a splash of any amount of water, the ball is “in.”

Are there any serving rules?

Teams must rotate male/female in serving. (**ALL** players must rotate, in order, prior to a new server.) The same person continues to serve until the team loses the point. Underhand serving only. If the serve hits the net and goes over, it is “in play.”

Can we spike?

Good luck, best advice is to just get the ball over the net. If you can spike the ball, then go for it.

Is there penalty for someone hitting the net with their hand or body?

As long as the hit is unintentional, there is no penalty for hitting the net.

How does the tournament work? Who advances to the finals?

The top 32 teams with the most accumulated points will advance to the finals.

When will the tournament schedule be available?

Schedules will be available Tuesday, May 28 by Noon. The schedules will be emailed to Team Captains.
